## 2018 RESERVE CABERNET SAUVIGNON RATTLESNAKE HILLS

*"Located at about a 1,400 ft. elevation, Elephant Mountain has a unique micro climate that offers an extended growing season, which in turn allows for extra hang time and desirable fruit maturation. This ripening on the vine is critical for Cabernet Sauvignon to develop ripe fruit, viscosity and tannin structure; components of this reserve wine."*

- Kendall Mix, Winemaker

**AVA:** Rattlesnake Hills

**SUB AVA'S & VINEYARDS:**

Rattlesnake Hills - Elephant Mountain Vineyard

Wahluke Slope - Ravenscliff

**TASTING NOTES**

**AROMA:** Intense aromatics of black currants, black cherries, and fig. Some upfront lactones followed by baking spice and kirsch.
